Eventbrite - Congressman Lou Correa presents California 46th District's Women of the Year Award Ceremony - Saturday, March 23, 2019 at Chapman University, Orange, California. Find event and ticket information.

California 46th District's Women of the Year Award ...

Women in computing have shaped the evolution of information technology.They were among the first programmers in the early-20th century, and contributed substantially to the industry. As technology and practices altered, the role of women as programmers has changed, and the recorded history of the field has downplayed their achievements.

"Come on, you know you don't have to do it if you don't want to, just come along to keep me company," I said. "I've told you I'm just not comfortable; you may think that place sounds like a great time but I'm just too shy, even if I'm covered up seeing all those other people is more than I'm up for" my wife told me.

Wife Says Go Show It off Pt. 01 - Exhibitionist & Voyeur ...

When digital computers finally became a practical reality in the 1940s, women were again pioneers in writing software for the machines. At the time, men in the computing industry regarded writing ...

This page is a collection of links for children, teachers, and parents. Topics are based on the curriculum for Kindergarten through grade four,although many pages will be of interest to older students.

Teach the Children Well-Other Topics

Preparing the publicity plan for Made by Humans, my recent book about data, artificial intelligence and ethics, I made one request of my publisher: no "women in technology" panels.. I have never liked drawing attention to the fact that I'm a woman in technology. I don't want the most prominent fact about me to be my gender rather than my expertise or my experience, or the impact of my ...
