What He Wants Book One

Celebrated for their courage, vision, hospitality, and spiritual giftedness, it's no wonder women were so important to God's place revealed in the Old and New Testaments. It wasn't their natural qualities that made these women extraordinary but the power of the one true God whom they worshipped and served. Their struggles and temptations are the same trials faced by all believers at all ages.

First, DON'T capitulate. He is not only an idiot but DANGEROUSLY wrong. In fact, releasing this information would violate the PCI standard (which is what I'm assuming the audit is for since it's a payment processor) along with every other standard out there and just plain common sense. It would also expose your company to all sorts of liabilities.

Our security auditor is an idiot. How do I give him the ...
