Mental health is the way we think and feel and our ability to deal with ups and downs. Mental health is something we all have. When we enjoy good mental health, we have a sense of purpose and direction, the energy to do the things we want to do, and the ability to deal with the challenges that happen in our lives.

Being calm, cool, and collected is always better said than done. The way we feel about ourselves on the outside always translates to how we feel about ourselves on the inside. While it's true that beauty is in the eye of the beholder, beauty is more than just what's on the surface, but rather what we personally define as beauty.
