Why We Run A Natural

One last point, the term “organic” is a buzzword I find particularly irritating because the conversation over food production should entail, I believe, first and foremost, a discussion on energy.

Crooked Run Orchard » Why We're So Green!

I've often wondered what it would be like to win the lottery and suddenly have more money than I could ever reasonably spend. I won't win because I don't play, but of course most people who play don't win, either. This is not such a bad thing. As hard as it is to believe, lottery winners are ...

TED Talk Subtitles and Transcript: Christopher McDougall explores the mysteries of the human desire to run. How did running help early humans survive -- and what urges from our ancient ancestors spur us on today? McDougall tells the story of the marathoner with a heart of gold, the unlikely ultra-runner, and the hidden tribe in Mexico that runs to live.

Some factors that affect us when we're awake can also influence our dreams. Health conditions. One of the biggest influences on dreams is how much or how little you're sleeping.

Why Do We Dream? The Role of Dreams and Nightmares

A photography project celebrates the small-scale and family-run farms that produce 70 percent of the world's food.

Why we need small farms - nationalgeographic.com

If you chop the head off a chicken, it can still run around for a few seconds. The same applies to many other animals, including the turtle, which continues swimming even though its head has come off. The animals can do this because a neural network in the spinal cord is pre-programmed to direct the ...
