Wealth And Democracy A Political

Wealth is the abundance of valuable financial assets or physical possessions which can be converted into a form that can be used for transactions. This includes the core meaning as held in the originating old English word weal, which is from an Indo-European word stem. A community, region or country that possesses an abundance of such possessions or resources to the benefit of the common good ...

Democracy, literally, rule by the people. The term is derived from the Greek *dēmokratía*, which was coined from *dēmos* ("people") and *kratos* ("rule") in the middle of the 5th century bce to denote the political systems then existing in some Greek city-states, notably Athens.

democracy | History, Development, Systems, Theory ...

Democracy (Greek: δημοκρατία *dēmokratía*, literally "rule by people") is a system of government where the citizens exercise power by voting. In a direct democracy, the citizens as a whole form a governing body and vote directly on each issue. In a representative democracy the citizens elect representatives from among themselves. These representatives meet to form a governing body ...

Conclusion. Though there are remarkable formal and institutional differences between the systems of Presidential and Parliamentary Democracy, there are more or less successful examples for both of these systems.. Therefore the practical results - measurable by different factors such as national wealth (both mean income and distribution of wealth), accessibility and standards of education ...

Different Systems of Democracy - Democracy Building

Our political system needs rapid transformation. The political turmoil faced today, coupled with the rise of populism, is a consequence of the rise of seemingly elitist politics along with marginalisation of the voices of the socially disadvantaged. Changing this requires reforms along three lines ...

Political reforms are direly needed to renew our tryst ...

Summary. Political inequality threatens the integrity of British democracy. As the general election approaches, many of the symptoms of the democratic distress we are experiencing are rooted in its existence.

Political inequality: Why British democracy must be ...

In his study of 19th-century American democracy, Alexis de Tocqueville explained his mission this way: "I undertook to see, not differently, but further than the parties; and while they are ...

Reclaim Democracy! works to create a representative democracy with an actively participating public, where citizens don't merely choose from a menu of options determined by elites, but play an active role in guiding the country and its political agenda.

About Reclaim Democracy!

Government, Aristotle says, should be by those people with enough time on their hands to pursue virtue. This is a far cry from the current U.S. drive towards campaign financing laws designed to make the political life available even to those without well-endowed fathers.

Aristotle on Democracy and Government - ThoughtCo

This may be the most important article that you have ever read! It deals with your legal status that determines whether you have unalienable rights or just corporate granted privileges.
