Guerrilla Girls is an anonymous group of feminist, female artists devoted to fighting sexism and racism within the art world. The group formed in New York City in 1985 with the mission of bringing gender and racial inequality into focus within the greater arts community. The group employs culture jamming in the form of posters, books, billboards, and public appearances to expose discrimination ...

After reading and re-posting 18 Things Men Say about their Ex-Wives, by Emma Johnson, author of the blog, Wealthy Single Mommy, (which was extremely accurate, and in my opinion she nailed it), I became super motivated to write about the opposite: 18 things women want to say to their ex husbands.. In her blog, Emma said she got her information from men she met through dating.

As I discussed in an earlier post on psychological defensiveness, we humans try to protect ourselves from emotional facts too painful to bear - that is, we "lie" to ourselves about them. That's our nature and everybody does it. The job of a good therapist is to make you aware of those things you don't know about yourself (and probably never wanted to know).
