Our Family Our children is an organization that are committed to serving the needs of vulnerable children and families as well those from diverse cultural backgrounds in their quest to build healthier lives and communities.

Our Children Our Future

The question is not whether God delights in his children. He does. The question is twofold: One, what is it about us that he delights in? And two, why does he tell us that he delights in us?

Why God Tells Us He Delights in His Children | Desiring God

Love Our Children USA. Welcome Love Our Children USA is the leading national nonprofit and 'Go-To' prevention organization fighting all forms of violence and neglect against children in the U.S.

Home :: Love Our Children USA

This issue wasn't even on our radar ten months ago. We didn't have a baby yet, and like many couples without children, we thought of kids as gremlins who willfully dropped their food items on the floor to distract their parents from having adult conversations with us.

Why Our Children Should Be Off Limits to the Paparazzi ...

Amani gives kids their childhood back. Without Amani, homeless children are trapped in poverty and neglect. With the generosity of people around the world, though, they can be rescued, given loving care, and even grow up to attend university!

Amani Children's Home - Moshi, Tanzania

Q&A with Paul Tough. What is Helping Children Succeed about?. It's about what children need in order to thrive - especially children growing up in difficult circumstances - and what kind of practices and policies, in the home and at school, will provide them with the best possible chance at success.

Helping Children Succeed - What Works and Why

Books on the Benefits of Nature—for Children & Adults. Last Child in the Woods. In his groundbreaking international bestseller Last Child in the Woods, Richard Louv spotlights the alienation of children from the natural world, coining the term nature-deficit disorder and outlining the benefits of a strong nature connection—from boosting mental acuity and creativity to reducing obesity and ...
