"I was awfully curious to find out why I didn't go insane," remarked Abraham Maslow, one of the founders of humanistic psychology. He was born and raised in Brooklyn, the eldest of seven children ...

A Science Odyssey: People and Discoveries: Abraham Maslow - PBS

Most citations of Maslow's hierarchy of needs list only five levels. This is particularly true of management books and hand-outs. Very few sources that I have seen list the full range of seven need levels that Maslow outlines and explains in his 1970 revision to his 1954 book, Motivation and Personality.
