Unequal Democracy The Political Economy

Summary. Political inequality threatens the integrity of British democracy. As the general election approaches, many of the symptoms of the democratic distress we are experiencing are rooted in its existence.

Political inequality: Why British democracy must be ...

Economic democracy is a socioeconomic philosophy that proposes to shift decision-making power from corporate managers and corporate shareholders to a larger group of public stakeholders that includes workers, customers, suppliers, neighbours and the broader public. No single definition or approach encompasses economic democracy, but most proponents claim that modern property relations ...

Economic democracy - Wikipedia

Democracy (Greek: δημοκρατία *dēmokratía*, literally "rule by people") is a system of government where the citizens exercise power by voting. In a direct democracy, the citizens as a whole form a governing body and vote directly on each issue. In a representative democracy the citizens elect representatives from among themselves. These representatives meet to form a governing body ...

Democracy - Wikipedia

Mini-Conference Themes. Each mini-conference will consist of 3 to 6 panels, which will be featured as a separate stream in the program. Each panel will have a discussant, meaning that selected participants must submit a completed paper in advance, by 1 May 2018. Submissions for panels will be open to all scholars on the basis of an extended abstract.

Democracy is an ideal many people have struggled for. Yet, different forms of democracy attract different forms of corrupting influences and challenges. This article attempts to explore these issues.

Democracy — Global Issues

Corruption. It is an overloaded word often used as the sole cause of the problems in poor countries. Yet, corruption seems to be everywhere, indeed often encouraged by rich countries and their corporations, especially when it comes to natural resources, and arms trade.

Corruption — Global Issues

During the first decade of democracy in South Africa, the economy has recorded one of its longest periods of positive economic growth in the country's history.

POVERTY, INEQUALITY AND THE NATURE OF ECONOMIC GROWTH IN ...

Addressing various aspects of democracy in political science. *laissez-faire*. Fr. for "allow to do". An economic system with total or near total abstinence of state interference.

Glossary of Political Terms - Democracy

Bantu Education "In 1953 the government passed the Bantu Education Act, which the people didn't want. We didn't want this bad education for our children.

Bantu Education - South Africa: Overcoming Apartheid

Politics in the Middle East, far from being solely an issue of Islamic resurgence as is often presented by Western media, actually reflects a complex mixture of issues that include nationalism ...

The overall aim of this report is to give you both a broad policy picture and a detailed inventory of events relating to human rights, rule of law and democracy that took place in Zimbabwe during 2013.

Zimbabwe Human Rights, Rule of Law and Democracy 2013 ...

Chapter 42 How Modern Civilization May Decline Listen to this chapter: OUR CONCLUSIONS about the law of human progress agree completely with our previous conclusions about the laws of political economy. They also show that making land common property — by taxing its value — would give an enormous boost to civilization.

Progress and Poverty, Chapter 42 - Henry George

Political philosophy - Western political philosophy from the start of the 20th century: Nineteenth-century European civilization had been the first to dominate and pervade the whole world and to create a new self-sustaining productivity in which all eventually might share. But, as Saint-Simon had pointed out, this civilization had a fatal flaw.
