I'm not a big sci-fi reader, but these stories have a unique perspective that I'm enjoying. I've already finished the first novella and the new story added for this edition, and I'm excited to continue along with *Binti* on her journey at her university.

As we reach the end of 2018, it’s time to reflect upon the music released this year. With the advent of streaming services, it feels a bit like being in the 1980s when I could buy a release at Tower Records and then exchange it if I didn’t like the album. This year, 106 new releases made it to the end of the year.

This book has become one of my must reads in 2018. It was truly a breath of fresh air and a inspiring novel that I look forward to reading. Children of Blood and Bone tackles real-life issues that have become more concerning in the recent years around the world, such as racism, color, and the violence others do to people born from different nationalities around the world.
