The role of Christianity in civilization has been intricately intertwined with the history and formation of Western society. Throughout its long history, the Church has been a major source of social services like schooling and medical care; inspiration for art, culture and philosophy; and influential player in politics and religion. In various ways it has sought to affect Western attitudes to ...

The Fall of the Western Roman Empire (also called Fall of the Roman Empire or Fall of Rome) was the process of decline in the Western Roman Empire in which the Empire failed to enforce its rule, and its vast territory was divided into several successor polities. The Roman Empire lost the strengths that had allowed it to exercise effective control over its Western provinces; modern historians ...

We humans have been on the Earth for more than a million years, but civilization - life in cities - has come about only in the last 5,000. Through history civilizations have rose and fell, carved out of nature, dependent on nature, in the end - nature took them back. But in the past few hundred ...

ARAB CIVILIZATION. Introduction to the Arab World. The Arab homeland stretches some 5,000 miles— nearly twice the distance between New York and San Francisco—from the Atlantic coast of northern Africa in the west to the Arabian Sea in the east, and from the Mediterranean Sea in the north to Central Africa in the south.

The vast majority of people would agree that our modern civilization is based mainly on ancient western civilizations. Every modern government has some connection to the legacy left by the Ancient Greeks and Romans, either in terms of organization or ideology. The legacy of the Renaissance and the French Revolution's ideas are still prominent and influencing our everyday life.

I began work on The Irish Origins of Civilization in 2005, and published both volumes of the book in November 2007. My researches into Ireland's role in world history commenced in 1981, after a preliminary study of ancient Irish mythology. As of this date (2018) few of my theories and assertions have been accepted by modern-day writers and researchers.
