War Of The Rats David

The Rats of Tobruk were soldiers of the garrison that held the Libyan port of Tobruk against the Afrika Corps, during and after the Siege of Tobruk in World War II. The siege started on 10 April 1941 and was relieved at the end of November when Australian forces were withdrawn. The port and its perimeter continued to be held by the Allies until its surrender on 21 June 1942.

The C-Ration, or Type C ration, was an individual canned, pre-cooked, and prepared wet ration. It was intended to be issued to U.S. military land forces when fresh food or packaged unprepared food prepared in mess halls or field kitchens was not possible or not available, and when a survival ration (K-ration or D-ration) was insufficient.. Development began in 1938 with the first rations being ...
