Up In The Air was a film that played for months in theaters. It resonated with audiences because it addressed the two biggest elephants in the room of western society—the complete marginalization of men in the man-cession of 08/09, and the underlying recognition, slowly bubbling to the surface of mental awareness, that Millennial women were sold a raw deal on how to pursue and find ...

The will to power (German: der Wille zur Macht) is a prominent concept in the philosophy of Friedrich Nietzsche. The will to power describes what Nietzsche may have believed to be the main driving force in humans. However, the concept was never systematically defined in Nietzsche's work, leaving its interpretation open to debate.

The national minimum wage is too low. The highest rate of the statutory national minimum wage is currently £7.83 an hour. This has been proven to be too little for a person to make ends meet for themselves and their family. The voluntary national living wage rate is now £9 an hour, outside of London.

A few weeks ago I was reading an article in Money magazine about a couple who retired at 40. While they do live frugally in relatively low-cost St. Louis, the primary reason they were able to retire is that they each served for 20 years in the military and now receive a pension of \$58,500 per year.
