The government cares about you being vaccinated. No, they don't necessarily care about the negative effects of the vaccination or your concerns, but they do invest millions of dollars to ensure as many people as possible receive things like the flu vaccine every year.

### **Why Does the Government Care so Much About Vaccinating You?**

The Minnesota Office of Higher Education is a cabinet-level state agency providing students with financial aid programs and information to help them gain access to postsecondary education. The agency also serves as the state's clearinghouse for data, research and analysis on postsecondary enrollment, financial aid, finance and trends.

### **What Does College Cost?**

That means the annual cost of college, a source of so much anxiety for families and students, often overlooks the enormous additional expense of the extra time it will actually take to graduate.

### **College Tuition: Why College is So Expensive | Time**

We've all seen the news about skyrocketing college expenses. It's everywhere you look, and it only seems to be getting worse. It's no secret college tuition is too high, has risen too quickly, and debt is unmanageable for a staggering number of students. This hits home for me particularly because I have kids in school, which means I am right in the middle of this whole mess whether I ...
