Myth and folklore. Animated human skeletons have been used as a personification of death in Western culture since the Middle Ages, a personification perhaps influenced by the valley of the dry bones in the Book of Ezekiel. The Grim Reaper is often depicted as a hooded skeleton holding a scythe (and occasionally an hourglass), which has been attributed to Hans Holbein the Younger (1538).

Diamond Valley Lake is a man-made off-stream reservoir located near Hemet, California, United States. It is one of the largest reservoirs in Southern California and also one of the newest. With a capacity of 800,000 acre feet (990,000,000 m<sup>3</sup>), the lake nearly doubled the area's surface water storage capacity and provides additional water supplies for drought, peak summer, and emergency needs.

Part 1: Aaron Wright, Solomon Spalding, and The GIANTS of Conneaut. WHEN the first European settlers came to North America they were not shy about digging up the graves of their Indian predecessors on the continent. As they generally found no great wealth in these burials, the motivation for their digging was probably mostly curiosity and a need to level their farmland.

Why did God send the judgment of the Flood in the days of Noah? The strange events recorded in Genesis 6 were understood by the ancient rabbinical sources, as well as the Septuagint translators, as referring to fallen angels procreating weird hybrid offspring with human women-known as the Nephilim.

### **Nephilim are Giant offspring due to irruption by fallen angels**

Origin of the belief in giants. It is possible that tales of giants derive from the remains of previous civilizations. Saxo Grammaticus, for example, argues that giants had to exist, because nothing else would explain the large walls, stone monuments, and statues that we know were the remains of Roman construction.
