The inner German border originated from plans by the Allies of World War II to divide a defeated Germany into occupation zones. Their boundaries were drawn along the territorial boundaries of 19th-century German states and provinces that had largely disappeared with the unification of Germany in 1871. Three zones were agreed on, each covering roughly a third of Germany: a British zone in the ...

When another fire sparked in the Santa Barbara hills just six months later — the Jesusita Fire — Daryl didn't really worry about it. Sure, he could see flames in the hills from his house, but they were two canyons over, and everything that could burn between him and the fire had already burned anyway.
