A great number of words of French origin have entered the English language to the extent that many Latin words have come to the English language. According to different sources, 45% of all English words have a French origin. This suggests that 80,000 words should appear in this list; this list, however, only includes words imported directly from French, such as both joy and joyous, and does ...

The Classical Education Edition of Caesar's English I is filled with so many extra elements that the book is too large to be handled easily by children. We ultimately decided to publish the student book in two parts at 192 pages each. A principal aim of the book is to teach children important vocabulary while giving them wide-ranging insight into the ancient world and its contributions to our ...
