Today I found out how the word "spam" came to mean "junk message" or "junk mail".. While some have suggested that this was because SPAM (as in the Hormel meat product) is sometimes satirized as "fake meat", thus spam messages are "fake messages", this potential origin, while plausible enough on the surface, turns out to be not correct at all.

How the Word "Spam" Came to Mean "Junk Message"

What is word study? Word study provides students with opportunities to investigate and understand the patterns in words. Knowledge of these patterns means that students needn't learn to spell one word at a time.
