"Just tell him Harri." There was a click. Symphony music came online. There was something to be said for elevator music, even if it assaulted the ears. Jose came back. "Transferring you now." I had no doubt I was being transferred to both a more secure line and room. Wouldn't want the dirty washing aired within hearing range of staff, after all.

I bit my bottom lip, still torn between the need to call the cops and the knowledge that Lyle would be furious if I did. Then I sighed and swung my camera around. When all else failed, lie through your teeth. Or so one of my brothers was known to say, and it seemed to work well enough for him. He was a successful politician, after all.

Home > Keri Arthur > Harri Phillecki PI > Who Needs Enemies Having been raised by a siren, I had to wonder why the hell anyone would be willing live with one. As much as I loved my mother, I'd realized at a very early age that a siren's song and heady sex did not equate to happy, long term relationships—if only because very few sirens were willing to give up their song for the love of just one man.
