Vicksburg, 1863 (Vintage Civil War Library): Winston Groom ...

I had never read an account of the bender that Grant went on during the siege and that the newspapermen with the army declined to report it.

review 2: The title may be a bit misleading but this is a very-well written account of the battles in the West that culminated with the surrender of Vicksburg on July 4, 1863. Groom covers the battles that led to this siege and surrender and goes into detail about the major personalities of the campaign (Grant, Sherman, Pemberton, Johnston).
