A new class of drug to treat herpes simplex virus infection

"Virus" is a single from Iron Maiden, released in 1996. It is the first single since 1980's "Women in Uniform" that does not appear on any official Iron Maiden studio album. It was, however, featured as a brand new track on the band's first ever career retrospective — 1996's double-disc Best of the Beast. It is the only Iron Maiden song to be credited to both of the band's guitarists.

Virus (Iron Maiden song) - Wikipedia

Virus definition is - any of a large group of submicroscopic infectious agents that are usually regarded as nonliving extremely complex molecules, that typically contain a protein coat surrounding an RNA or DNA core of genetic material but no semipermeable membrane, that are capable of growth and multiplication only in living cells, and that cause various important diseases in humans, animals ...
