Voodoo Science The Road From

When a subordinate receives abusive treatment from a supervisor, a natural response is to retaliate against the supervisor. Although retaliation is dysfunctional and should be discouraged, we examine the potential functional role retaliation plays in terms of alleviating the negative consequences of abusive supervision on subordinate justice perceptions.

Some actors are slaves to their art. They'll sacrifice their bodies, their relationships, and their sanity just to make their performances more convincing and result in a more memorable film, like when John Cusack lost a bunch of weight to deliver a more accurate portrayal of Edgar Allan Poe in The Raven, a movie about Edgar Allan Poe solving mysteries, which is a thing Edgar Allan Poe never did.

The ward doesn't smell, although each patient is lying on a cholera cot, a special bed that has a hole cut out of the canvas and a bucket underneath to catch what in Creole is called dlo diri (from de l'eau de riz, 'rice-water'), the watery diarrhoea that pours out of cholera patients. When I show images of these cots to friends, they are shocked.
