James C. Scott (born December 2, 1936) is an American political scientist and anthropologist. He is a comparative scholar of agrarian and non-state societies, subaltern politics, and anarchism. His primary research has centered on peasants of Southeast Asia and their strategies of resistance to various forms of domination. The New York Times described his research as "highly influential and ...

The Pipe Gun might seem unassuming at first, but looks can be deceiving. After all, it might be one of the most common weapons in all of Fallout 4, but Pipe Guns have something that puts them above other common firearms, customizability. Pipe guns have more customization options than any other firearm in the game, which is great for a couple of reasons.

Okinawa's tinbe rochin, a short spear and shield combo, differs from Japan's shieldless, bladed warrior culture. "The usage is more akin to a combination of Zulu fighting and European sword and small shield fighting" (). The vine, cane, metal, or turtle shell shield parried attacks, allowing users to counter opponents with upward strikes from a short spear ().

Swords to ploughshares (or Swords to plowshares) is a concept in which military weapons or technologies are converted for peaceful civilian applications.. The phrase originates from the Book of Isaiah: . And many people shall go and say, Come ye, and let us go up to the mountain of the LORD, to the house of the God of Jacob; and He will teach us of His ways, and we will walk in His paths: for ...

Readiness and Disposition. Locations of Roman legions, 80 AD. The military capability of Ancient Rome - its military preparedness or readiness - was always primarily based upon the maintenance of an active fighting force acting either at or beyond its military frontiers, something that historian Luttwak refers to as a "thin linear perimeter."
