Nomadic Tribes People with disabilities were considered useless because they could not contribute to food gathering or to the wealth of the tribe. Nomads often left people with disabilities to die whenever the tribe moved to a new location. Many tribal cultures believed that disability implied possession by evil spirits.

From a very early age, perhaps the age of five or six, I knew that when I grew up I should be a writer. Between the ages of about seventeen and twenty-four I tried to abandon this idea, but I did so with the consciousness that I was outraging my true nature and that sooner or later I should have to settle down and write books.
