Dinosaurs are used more than almost anything else to indoctrinate children and adults in the idea of millions of years of earth history. However, the Bible gives us a framework for explaining dinosaurs in terms of thousands of years of history, including the mystery of when they lived and what happened to them. Two key texts are Genesis 1:24-25 and Job 40:15-24.

Guest post by Antonella Delfino. Alfajores are a sweet treat that has been present since colonial times all over Latin America. Each country has a different way of preparing them, but the concept is the same: two cookies filled with some kind of caramel. In Peru we have two basic kinds of dough

(wheat flour or corn starch) and two kinds of filling (dulce de leche or syrup).
