I have a used clausung 13 x 36 gearhead lathe and need to wire it up for single phase. I'm told its a 3 h.p. motor. Has anyone had any trouble using the static phase converters on lathes? it looks like the rotary ones are ideal but much more expensive; and I dont want to get into building one. I ...

There's a big debate looming in the recording world and it revolves around analog summing. People say that mixing "in the box" will never sound as good as using analog summing. So what is summing, and why is analog supposedly better? Great questions. Today I want to briefly explain the issues at hand and help [...]
