The big 'W' impact: effective urban waste management ...

Urban sprawl or suburban sprawl mainly refers to the unrestricted growth in many urban areas of housing, commercial development, and roads over large expanses of land, with little concern for urban planning. In addition to describing a particular form of urbanization, the term also relates to the social and environmental consequences associated with this development.

Urban sprawl - Wikipedia

FHA became a part of the new Department of Housing and Urban Development created in September 1965. In the 1960s, HUD sought to eliminate discrimination through the implementation of the Fair Housing Act of 1968. The department also enforced the provisions of the Brooke Amendment in 1969, which established that low-income families would pay no more than 25% of their incomes for rent.
