Most women over 60 will at some point find themselves dealing with grey hair. While this is a natural part of the aging process, some women still find it hard to let go of their "original" hair color, and resort to dyes, highlights or other methods to avoid going grey. On the other hand, there

are also plenty of women who seem to be embracing the change in their hair color and are going ...

I took Sam-e for about a year while back and found it very helpful. It had no side effects except that I had almost too much energy. You have to think about it--if you have been depressed and now have energy, you need to have a plan to develop the social skills and goals to channel that energy, and get your life on track.
