One fifth of US households now claim food stamps. That's 47 million Americans, living in the richest and most successful society that has ever existed, where food is cheap and plentiful beyond the wildest dreams of people living 100 years ago, who are supposedly so pathetic and helpless that they need the government to feed them, as if they were children.

The gender pay gap in the United States is the ratio of female-to-male median or average (depending on the source) yearly earnings among full-time, year-round workers.. The average woman's unadjusted annual salary has been cited as 78% to 82% of that of the average man's. However, after adjusting for choices made by male and female workers in college major, occupation, working hours and ...

Let me get right to the point: American women are good for one thing and one thing only: Sex. Try as I might to hamster something into existence that stateside girls can provide me that I can’t provide for myself outside of a warm, moist hole to stick my dick in, I just can’t think of anything.. The hard truth is that the “anything you can do I can do better” mantra today’s women ...
