This book is titled Woodcraft and Camping, and although this how-to book is a whopping 135 years old, all that it has to say remains true to this day. The book begins by touching on the point that too often we have the same attitude towards recreation that we do of our work: that it must be done quickly and always at an advanced level.

George Washington Sears (December 2, 1821 – May 1, 1890) was a sportswriter for Forest and Stream magazine in the 1880s and an early conservationist. His stories, appearing under the pen name, "Nessmuk" popularized self-guided canoe camping tours of the Adirondack lakes in open, lightweight solo canoes and what is today called ultralight camping or ultralight backpacking.

A must read for anyone interested in woodcraft as practiced in the mid to late 1800's. Or, in prepping for future calamity. Many of these skills have been lost to modern man because of "advances" in technology. Among these pages you will find the nuggets of knowledge that will serve you long after the batteries have run out.
