Words are the lifeblood of your writing. They're what you use to build credibility or diminish it. Words matter. They're what make your arguments more compelling, your prose stronger, and your craft more captivating. Untrained writers can be careless with their words. It takes discipline to use these tools well.

Five Weak Words that Make Your Writing Less Effective

Writing is a series of choices. As you work on a paper, you choose your topic, your approach, your sources, and your thesis; when it's time to write, you have to choose the words you will use to express your ideas and decide how you will arrange those words into sentences and paragraphs. As you revise your draft, you make more choices.

Word Choice - The Writing Center

50 words that will improve your writing. Stephen King famously gave us three of the most useful words to improve your writing: 'kill your darlings.' You should treat words as practical rather than precious. They are the bricks to a building: they need to be sturdy and accurately placed in order to create functional and beautiful architecture.

50 words that will improve your writing - Articulate

8 Words to Seek and Destroy in Your Writing. Creating powerful prose requires killing off the words, phrases, and sentences that gum up your text. While a critical eye and good judgment are key in this process, some terms almost always get in the way.

8 Words to Seek and Destroy in Your Writing | LitReactor

Think of all the 'time' it saves when used in this manner. We use 'that' unconsciously. It is one of the most overused words in the English language and often incorrectly. In your writing [if using MS Word] , put 'that' into your search window and see how many times it shows up on the pages.

How to Avoid Overusing the Word 'That' in Your Writing

Use Your Words is a digital party game for funny people and their unfunny friends! Coming soon to Steam, Xbox One, PlayStation 4 and Apple TV!

Use Your Words

New writers struggle with writing, not because they don't have a command of language. They do. Rather, they use a lot of needless words. Yesterday's blog post discussed E.B. White's slight discomfort with the Strunk & White admonition, "Omit needless words," and how it wasn't necessary to omit words as long as they actually contributed to your narrative.

Delete These Four Words to Improve Your Writing Right Now

After years of writing assignments all throughout school, you start to become repetitive when choosing what words to use in your essays. But there is a whole language out there full of words that are sure to impress your English teacher!

21 Words to Use in Your Essays to Impress Your English ...

Reason: Using fewer words to express an idea is almost always a good idea, so "used to write" can be written "wrote," as in, "He wrote like this when he started writing." The problem is that "used to write" and "when he started writing" both express events in the past, which is redundant.

Use Your Words « Kate Hopper

Once completed, develop your thought using similar words, or blend sentences using new words. Writing is best accomplished when you have a fresh and open mind -- that means it isn't good to write just before bed. Try writing in the morning, but after breakfast, or before or after dinner in the evening.
