Our methodology is centered around getting you into the zone. Specifically, the state of Flow—those moments of rapt attention and total absorption, when you get so focused on the task at hand that everything else disappears and all aspects of performance, both mental and physical, go through the roof.

The Salvation Army is one of the oldest and largest organizations working for disadvantaged people. Though it is a charity organization, it has organized a number of volunteering programs since its inception. Prior to the 19th century, few formal charitable organizations existed to assist people in need. In the first few decades of the 20th century, several volunteer organizations were founded ...
