When Corporations Rule The World

When Corporations Rule the World is an anti-globalization book by David Korten. Korten examines the evolution of corporations in the United States and argues that "corporate libertarians" have 'twisted' the ideas of Adam Smith's view of the role of private companies.. Korten critiques current methods of economic development led by the Bretton Woods institutions and asserts his desire to ...

A corporation is an organization, usually a group of people or a company, authorized to act as a single entity (legally a person) and recognized as such in law. Early incorporated entities were established by charter (i.e. by an ad hoc act granted by a monarch or passed by a parliament or legislature). Most jurisdictions now allow the creation of new corporations through registration.
