Aim of Course: Why take this course instead of another online statistics course? You'll understand why you are learning something - a business or other real-world context for a topic will be clear.; No memorizing formulas. The tricky concepts of hypothesis testing and confidence intervals are made crystal clear via resampling simulations (the computer equivalent of picking cards from a hat)

From some comments in the answers for common English usage mistakes (now deleted, 10k only), there's confusion around the usage of I vs. me:. While the sentence, "the other attendees are myself and Steve," is agreed to be incorrect, there's confusion about whether the correct form is "the other attendees are me and Steve" or "the other attendees are Steve and I."
