Raj, this is a brilliantly constructed piece. Not only do you shift the debate about Vandana's controversial personality and politics to a much more important set of questions, but you use it to model a method for critical thinking and a deconstruction of the old worn argument that we need a new Green Revolution technology to feed the coming 9 billion people.

### **How to Be Curious About the Green Revolution - Raj Patel**

Wheat Bran is the outer layer of the wheat kernel and an excellent source of dietary fiber, particularly insoluble fiber. Add it to cereal, smoothies and baked goods as a natural fiber supplement to increase your daily intake.

### **Wheat Bran :: Bob's Red Mill Natural Foods**

by Sayer Ji, originally published in 2012. Now that celiac disease has been allowed official entry into the annals of established medical conditions, and gluten intolerance is no longer entirely a fringe medical concept, the time has come to draw attention to the powerful little chemical in wheat known as 'wheat germ agglutinin' (WGA) which is largely responsible for many of wheat's pervasive ...
