Your Ancestors Didn't Sleep Like You - SlumberWise

Wow! And here I am feeling sorry for myself, but you have to deal with the loss if someone your mom cares about, yet he abused her, and then the pain and animosity that you feel because he did, in every sense of the word molest you, and now deal with the "afterbirth" if you will, of his dying, without any kind of closure!

Before I decided to stop writing my 'Movies and Mental Health' blog, I had intended to do a video about the narcissistic mother as portrayed in two different films, Black Swan and The Fighter; in this post, I'll be referring to those films but I won't include video clips. If you haven't seen them, I recommend both movies for their psychological insight into family dynamics and, in ...

The Narcissistic Mother - After Psychotherapy

A single mother is entitled to full parental responsibility over her child, and is able to choose whether or not this is shared with the child's father. Being able to decide what is best for the child will also enable mothers to secure the right amount of maintenance support.

They might walk alike, they might talk alike, and they probably even look alike. Twins are an endlessly fascinating genetic miracle. Whether they are fraternal, identical, conjoined, polar body, mirror, or separated at birth, the similarities and complexities of twins are something that both scientists and the average man have marveled over for generations.

10 Things You Didn't Know About Twins - Listverse

When I speak to women in crappy relationships, a consistent theme is not only a guy who is either a Mother Lover (Mummy's Boy) or a Mother Hater, but often these men are living with their mothers. Now I'm going to say something that no doubt many men won't like and certainly it should set [...]
