Music's jogging of memory is quite profound in James Joyce's "The Dead." That magnificent short story gets really interesting when Gretta Conroy hears a song that sparks a melancholy recollection of a major event in her youth. She subsequently discusses this with her kind-of-stunned husband Gabriel, and readers are reminded that we often don't know everything about the people we're closest to.

"I mean, don't you find yourself being extra careful about what you say and how you say it? As if you have to be this phony, put on a facade, because you don't want to give them the wrong impression?" — Terry McMillan, *Waiting to Exhale*, 1992 When I watched him in motion picture roles after the war, I knew there was something of honest substance behind that acting façade.

As a black woman, It can be difficult to find accurate and entertaining depictions of black womanhood on screen. If we're not being cast into one of several historic stereotypes, we're erased completely. Of course I love to read a good book, but it's nice to just watch a woman who mirrors our my reflection in a riveting story. That's why we put together this list of films about Black women.
