The Everyday Hero, is the person who smiles at you on an off day. It is the war veteran fighting for freedom and equality for all. As well, it's your friend, parent, or mentor sacrificing for your happiness. The everyday hero is within every single human being on this planet, and is expressed by simple, ordinary actions. Heroes do simple acts; of kindness, courage, and love.

"Potty problems" are something we avoid in our everyday conversations. While you may be more than willing to share how much your sore throat is torturing you, rarely do you go into the office and announce that you haven't pooped in five days. However, constipation is not something to be embarrassed about, and if you've had it (and we all have) than you understand that it is no laughing ...

A VNG test stands for Videonystagmography and an ENG test stands for Electronystagmography. Both of these test the vestibular system (balance system) of the inner ear to determine if your dizziness/loss of balance is caused by an inner ear abnormality. When undergoing the VNG test, you are wearing a pair of goggles over your eyes used to monitor and record eye movement.
