A comic-book adaptation of the trilogy was also produced, with six issues allotted per book. The art for Heir to the Empire is kind of questionable. The art for Dark Force Rising is much prettier, but it has problems of its own. The art for the last book is pretty decent; less realistic, but more expressive. The comics are a very Compressed Adaptation, with some pages having a Wall of Text and ...

The Remnant can be best described as a more militaristic version of The Last of His Kind, being members of a faction who are continuing to fight a war that their side has already lost. Basically a (usually villainous) version of La Résistance that formed from the remains of The Empire or some other faction. They may be using irregular military tactics, but they will probably still be dressed ...
