Who's Afraid of Virginia Woolf? is a play by Edward Albee first staged in 1962. It examines the complexities of the marriage of a middle-aged couple, Martha and George. Late one evening, after a university faculty party, they receive an unwitting younger couple, Nick and Honey, as guests, and draw them into their bitter and frustrated relationship.

Who's afraid of Virginia Woolf What if suddenly you come to the conclusion that the only light in the midst of all your darkness, the only light that is keeping you afloat is merely an illusion, how would you be able to cope with your reality? When failure comes to light, reality collides with illusion, generating the matrix of our own "reality".
