Writing With Style Conversations On

My writing has improved enormously since reading "Writing with Style" because I became very aware of the effect that small changes in syntax and structure can have on written communication. Any time that I feel a lack of inspiration or have writer's block, I pick this book up again because it always reignites my passion for the written word.

Amazon.com: Writing with Style: Conversations on the Art ...

Having read a handful of books on writing, this is my favorite. Trimble's style is so engaging and enjoyable and witty. He simultaneously explains stylistic concepts while demonstrating them. Non-writers would even enjoy this book; it's that well-written. I recommend this short book on writing. The ...

Writing with Style: Conversations on the Art of Writing ...

Writing verbal conversations or dialogue is often one of the trickiest parts of creative writing. Crafting effective dialogue within the context of a narrative requires much more than following one quote with another. With practice, though, you can learn how to write natural-sounding dialogue that is creative and compelling.
