The Eternals are a fictional species of humanity appearing in American comic books published by Marvel Comics. They are described as an offshoot of the evolutionary process that created sentient life on Earth. The original instigators of this process, the alien Celestials, intended the Eternals to be the defenders of Earth, which leads to the inevitability of war against their destructive ...

4. Some Things Will Never Change. Out of his front windows George could see nothing except the sombre bulk of the warehouse across the street. It was an old building, with a bleak and ugly front of rusty, indurated brown and a harsh webbing of fire-escapes, and across the whole width of the facade stretched a battered wooden sign on which, in faded letters, one could make out the name--"The ...
