A word of caution: Do not interlard your text with transitional expressions merely because you know these devices connect ideas. They must appear, naturally, where they belong, or they'll stick like a fishbone in your reader's craw. (For that same reason, there is no point in trying to memorize this vast list.) On the other hand, if you can read your entire essay and discover none of these ...

Amy Cuddy Your body language may shape who you are Body language affects how others see us, but it may also change how we see ourselves. Social psychologist Amy Cuddy argues that "power posing" — standing in a posture of confidence, even when we don't feel confident — can boost feelings of confidence, and might have an impact on our chances for success.

"Greek to Me, explores how everything that happens to us—whatever feels most achingly personal and individual—is encoded in myth. Poignant, antic, hilarious, Norris is the definition of wearing your learning lightly, and after a lifetime of Greek immersion, pouring beer libations and skinny-dipping in the waters of Aphrodite, her lessons slip down sweetly: This book is true ambrosia."
