Love is a symbol of eternity. It wipes out all sense of time, destroying all memory of a beginning and all fear of an end. ~Author Unknown Love — a wildly misunderstood although highly desirable malfunction of the heart which weakens the brain, causes eyes to sparkle, cheeks to glow, blood pressure to rise and the lips to pucker. ~Author Unknown

Courtly Love. If you study the history of human sexuality and marriage through ancient and primitive cultures, you will find that communal sex and polygamy predominate. Communal sex tends to predominate in matriarchal societies—that is, societies in which power tends to pass through women, and property is more or less communal—where women mate with whomever they want, without any particular ...

### **Celebrities Without Makeup: What They Really Look Like**

The forty-four poems that became Sonnets from the Portuguese were written by the future Mrs. Browning between 1845 and 1846 while she was being courted by Robert Browning. They were first published in 1850 in her Poems with the 1856 edition containing most of the desired revisions and corrections. (A supposed 1847 edition of the Sonnets by themselves was later proven a hoax.)
