Unintended Consequences John Ross

Unintended Consequences is a novel by John Ross, first published in 1996 by Accurate Press. The story chronicles the history of the gun culture, gun rights, and gun control in the United States from the early 1900s through the late 1990s. Although clearly a work of fiction, the story is heavily laced with historical fact, including historical figures who play minor supporting roles.

I wasn't going to put this section in, but I have to. I wanted to keep the website as free from handwavium as possible. However, while Faster-Than-Light travel is about as handwavium as you can get, it is unfortunately the sine qua non of interstellar space opera. Space opera with no StarDrive is like chocolate cake without the chocolate.
