Practice tests, flash cards, and other study tools to help you prepare for the Water Distribution Certification Exam.

Water Distribution Certification

What is a water right? A water right is authorization from the state to make use of water—either surface water or ground water. Since 1909, state law has required issuance of a water right before using surface water. Ground water has been subject to the permit requirements statewide since 1955. Water rights are issued by the Oregon Water Resources Department (OWRD).
