Performa Wheels offer a longer life expectancy than standard mold-on rubber, outlasting by 2-3x in durability tests. Performa is corrosion resistant, with maximum wether-ability, able to withstand abuse in a number of harsh environments. These wheels are floor protective: our wheels reject floor debris, such as metal shavings that might marr flooring, and are non-marking despite wear.

Five years ago, a little Santa Cruz video on a bike website debunked every skeptic's fear about the long-term durability of carbon fiber bicycle frames. Now we are doing the same for wheels. Santa Cruz Reserve wheels are built on the highest quality carbon rims on the market. Our confidence in the design and strength of our wheels is backed up by a lifetime warranty, just like our frames.

When I began work on the iOS version of Happy Wheels, I questioned whether or not it would be accepted into the App Store at all. I found examples of bleeding limbs, gibbs, blood explosions and screams in iOS games, but no one example seemed to put all these effects together like Happy Wheels does.
