Why Gender Matters What Parents

Why does gender-stereotyped toy marketing matter? Kids should decide for themselves what they think is fun. Why put these limits on play? Play matters. Children need a wide range of play to develop different skills.

Why it Matters | Let Toys Be Toys

Next month, Tasmania's parliament will consider a bill that would remove sex from birth certificates. If it passes, it would be the first state in Australia to take such a step. Under the ...

Explainer: why removing sex from birth certificates ...

LONDON – A prevalent understanding, particularly in the 1980s, was that boys and girls are born cognitively the same. It was the way parents and society treated them that made them different.

Matters of the Brain: Why Men and Women Are So Different

About Leonard Sax MD PhD Dr. Sax is the founder and executive director of the National Association for Single Sex Public Education. His first book, *Why Gender Matters: what parents and teachers need to know about the emerging science of sex differences* was published in hardcover by Doubleday (2005) and in an expanded softcover edition by Random House (2006).

(Roman Genn) Not just for what he thought, but for how Charles Krauthammer, who died last June at the age of 68, was the most important political columnist of the post-Cold War era. In fact, he ...

Why Charles Krauthammer Matters | National Review

Gender is the range of characteristics pertaining to, and differentiating between, masculinity and femininity. Depending on the context, these characteristics may include biological sex (i.e., the state of being male, female, or an intersex variation), sex-based social structures (i.e., gender roles), or gender identity. Many if not most societies use a gender binary, having two genders, men ...
