A social class is a set of subjectively defined concepts in the social sciences and political theory centered on models of social stratification in which people are grouped into a set of hierarchical social categories, the most common being the upper, middle and lower classes. "Class" is a subject of analysis for sociologists, political scientists, anthropologists and social historians.

Social class - Wikipedia

RACE, CULTURE, AND EQUALITY 1 by Thomas Sowell. During the 15 years that I spent researching and writing my recently completed trilogy on racial and cultural issues, 2 I was struck again and again with how common huge disparities in income and wealth have been for centuries, in countries around the world-- and yet how each country regards its own particular disparities as unusual, if not unique.

Thomas Sowell | Speech "Race, Culture, and Equality"

Unfortunately, not all families have equal opportunities in society. Factors like economic and education levels, class, gender, and race can have a major impact on how families operate.

The racial achievement gap in the United States refers to the educational disparities between various ethnic groups. It manifests itself in a variety of ways: among students, blacks and Hispanics are more likely to receive lower grades, score lower on standardized tests, drop out of high school, and they are less likely to enter and complete college than whites, while whites score lower than ...

Play is essential to development because it contributes to the cognitive, physical, social, and emotional well-being of children and youth. Play also offers an ideal opportunity for parents to engage fully with their children. Despite the benefits derived from play for both children and parents, time for free play has been markedly reduced for some children.
