I don't really want to work with a macro. I want the spell checker to work as usual and so it makes sense. Adding macros is not really a solution. The change happened after a Microsoft update and its obviously erroneous as I have seen quite a few people with the same problem. So we need Microsoft to fix this.

### **Spell Check not working in Word - Microsoft Community**

However, the teacher can make the work more interesting (and educational) by going over the words with the class, making sure they are pronounced correctly. Then it is always fun to give the meaning orally and have a race to find the right word. A teacher who enjoys working with words will have pupils who do, too.
